

6th Annual 2010 Dubois Antler Rendezvous

The Dubois Lions Club is pleased to welcome you back to Dubois and welcome new vendors. We are looking forward to hosting the event this year and have been busy placing ads, getting the word out and working hard to make this year's the best ever.

Posters and registration packages are available at www.duboisantlerrendezvous.com and can be downloaded from the web site. The web site is announced in several magazine ads and activities calendars as well as radio programs and newspaper ads.

The dates this year May 18th - 23rd will overlap the Jackson Hole Antler Auction which is Saturday, May 22. The inclusion of a weekend will encourage more local area visitors. If you need to leave Friday afternoon we will hold your place here so you may return for the Saturday evening and Sunday events.

A registration, information and announcement booth will be on site as well as games for kids. Food and drink vendors will also be on site for your convenience. Fish and Game will again have a booth located in the Headwaters Conference Center and be able to check in your antler. All racks will need a WYG&F tag, \$8 each. Also it is good to call a WY Game & Fish Office to let them know you will be traveling through Wyoming with racks and you will have them checked in Dubois.

Dubois has a new up to date web site, www.duboiswyoming.org with information on the area plus motels, lodges and great places to eat. I would encourage you to make reservations early to assure lodging, as the town seems busier than usual this year. We are checking with restaurants to assure their availability and will post their hours.

Please think about an item to donate to the boy scout auction Saturday afternoon. They will be working hard, parking cars, helping you set up or just running to get you lunch. The money from this auction helps with their programs for the year. This year, Scout Troop 56 will have eight Eagle Scouts, quite an accomplishment from a small town.

The Big Horn Sheep Center and Dubois Museum will be open to vendors with no admission. The community of Dubois is looking forward to seeing you here May 18th-23rd for the best Antler Rendezvous ever!

Cheers,

Joe Brandl
President, Dubois Lions Club
Boy Scout Leader, Troop 56
