Great Opportunities for photo ops

DUBOIS, WY— An original one of a kind gathering of antler buyers, sellers, brokers, builders and crafters from coast to coast will meet in Dubois, WY. It will be the 6th Annual Dubois Antler Rendezvous sponsored by the Dubois Lions Club and Boy Scout Troop 56. Woodworker's Supply is a corporate sponsor. Located in the Dubois City Park, the event opens around 9:00 a.m. and goes till around 7:00 p.m. Wednesday-Sunday, May 18th-23rd. This year including the weekend of May 22nd and 23rd. Must See it to believe it. Open to the public.

The event, located 80 miles east of Jackson Hole, WY, attracts antler dealers, brokers and wildlife enthusiasts from around the globe. During the week of May 18th-23rd, the public and dealers alike will be able to choose from thousands of elk, deer, moose, red stag, and caribou antlers, plus head mounts, hides, horns, antler arts & crafts, furniture, chandeliers and skulls. Anything antler you can think of will be on display and for sale at the rendezvous. Public is welcome to bring their own antler to sell.

This event is a great place for buying or selling antler, for decorators and home owners to meet antler builders and see a variety of their work or for builders and crafters to select first hand the antler they need for their projects during the year. Also just fun browsing for the family.

All things antler are on display. See "Sue" a life sized Bull Elk Statue made by Kurt Gordon of Dubois. The statue will be on display at the rendezvous and is made entirely from antler including, mule deer, elk, moose and antelope.

Other Rendezvous highlights include: a variety of food vendors, children's games and a Budweiser wagon. There will be several raffles including one for a 14" Woodtek band saw donated by Woodworker's Supply. Bring the family and step back in time - come be part of this true western experience!
