Event Rules

Anyone setting up a booth or display no matter how small will be expected to pay full registration

Earliest setup is Sunday, May 16th – no exceptions

All dogs must be kept on a leash, town park rule

Site selection is first come, first serve

We ask that you unhook your trailer if you are selling out of it and park your vehicle in the parking area.

You must display your event ribbon in a visible place so we can see who has paid

You are responsible for all Game and Fish regulations

We are not responsible for theft, damage or loss of your items

Please clean up around your booth each day

Alcohol is prohibited in the park, we have never had a problem with this and do not expect any, moderation is always best, just keep your site picked up.

Again, work with your neighbors, with new vendors coming in, I hope the “old” vendors will assist them in what to expect.

There is no water or electrical hookup, generators must be the quiet type

Park vehicles in a orderly fashion

Fremont County sales tax is 4%
